

MEGAN WASHINGTON WITH PAUL GRABOWSKY

Saturday 11 November | 7.30pm

BOOK TICKETS

Nearly a decade ago, they achieved sold out success at the 2008 Adelaide Cabaret Festival. Two years later, Megan Washington picked up both the Best Female Artist and Breakthrough Artist ARIA Awards in 2010, along with a further five nominations for her debut album, *I Believe You Liar*.

Her style transcends the parameters of genre, fusing indie pop, country, folk, jazz and alternative rock to comprise something entirely her own.
