

VINCE JONES WITH PAUL GRABOWSKY

'A person who doesn't create is like a cloud that never rains. I have always aspired to be an Artist as opposed to an Entertainer.

Art is a life's work, a painting or a piece of music that every brushstroke or note has within it the artist's life experiences.

I have known Paul for many years. He is an artist who, in my eyes, makes Art consistently. He makes Art whenever he touches the piano. His creative playing pours over you like gentle rain.'
