UKARIA CULTURAL CENTRE

UKARIA Cultural Centre is perched on the hillside opposite Mount Barker Summit in the picturesque Adelaide Hills.

Concerts have been hosted on the property for acclaimed national and international artists since the mid-1990s. In 2014 the modest concert room was demolished and replaced with a magnificent 220-seat concert hall purpose built for chamber music. Great care has been taken to ensure that the new hall has superb acoustics without compromising the spectacular sweeping views to the Mount Barker summit.

In 1985 Ulrike Klein co-founded Jurlique, the internationally acclaimed skin care label. The UKARIA Cultural Centre, which opened in August 2015, was funded by the Klein Family and built on what was once the Jurlique Farm, where many of the herbs, flowers and plants were grown for natural skin care products. Renowned for using the best in biodynamic and organic ingredients, these values have influenced the design and vision for the UKARIA Cultural Centre and are incorporated in the hospitality product offering.

Leading architect Anton Johnson has designed every aspect of the Centre with the sensory experience of the visitor in mind. Parking bays are nestled into the edges of the garden, and there are multiple entry points that pass through native flora, traditional roses, lavender and other aromatic herbs. Large sculptures, a dry stone labyrinth, shady trees and a beautiful, natural-looking water feature complement the idyllic setting.

The Centre is located just 40km from the Adelaide CBD and is an easy drive on the South Eastern Freeway, which takes approximately 40 minutes. Getting to UKARIA is easy via the Bald Hills Road exit, which bypasses the township of Mount Barker and takes you straight to UKARIA's tranquil setting, surrounded by rolling hills and vineyards.

A VENUE FOR ALL OCCASIONS

The proximity to Adelaide, the calibre of the fit-out and the flexibility of the layout make the UKARIA Cultural Centre an attractive venue for all occasions. Venue flexibility was a key element of the architect's design brief, which makes the Centre readily adaptable for different settings.

Contemporary, unique, versatile and intimate, the modern, multi-purpose design of the concert hall with world class acoustics and unobstructed viewing creates inspiration for every performance, conference or corporate event. Complementing the main hall, the Garden Terrace with its glass-enclosed space adjacent to a herb garden and looking outward to nature is a beautiful setting for corporate functions and banquets for special celebrations.

UKARIA Cultural Centre is ideally suited for:

- **Concerts**
- **Meetings and conferences**
- **Weddings and celebrations**
- **Cocktail parties and networking events**
- **Seminars and workshops**
- **Corporate events**
- **Award ceremonies**

CORPORATE EVENTS

The versatility of the concert hall and the Garden Terrace make UKARIA an ideal space for any prestigious business event. Talk to us about your event and we can go through the options available and ways we can configure the space to suit your requirements.

CELEBRATIONS AND SPECIAL EVENTS

The incomparable beauty of the setting makes UKARIA the perfect choice for celebrations and special events. Incorporated into the paths that wind through the garden is a meeting circle that provides an idyllic space for a wedding ceremony. The seating inside the concert hall is fully retractable to accommodate long tables for a magnificent banquet for milestone birthday parties and gala dinners. A self-contained studio adjacent to the hall provides event organisers with a convenient retreat location.

FOOD PHILOSOPHY

All of the world's top chefs agree that good cooking starts with great produce – the kind that's bursting with flavour and seasonal freshness. Organic leafy vegetables, along with a variety of herbs such as parsley, thyme and chives are grown in our very own kitchen herb garden and freshly picked for use in our dishes. The garden, which sits nestled outside the Garden Terrace, is also home to edible flowers including nasturtium and pansy, which add a splash of natural colour to our desserts.

The talented hospitality team from Adelaide Oval have developed new dishes and flavour combinations for UKARIA Cultural Centre, drawing inspiration from the Adelaide Hills region.

WINE PHILOSOPHY

Our wine list celebrates South Australian wines – with a focus on our backyard, the Adelaide Hills which is known for its approachable, vibrant, cool climate wines.

A TASTE OF THE ADELAIDE HILLS

Inspired by the unique produce of the Adelaide Hills region, Adelaide Oval's talented chefs work closely with passionate gardeners to create inspiring menus where each dish pays homage to the land, using only the finest seasonal produce to offer a unique encapsulation of place.

ACCOMMODATION TWIN PEAKS

A five-minute drive from UKARIA Cultural Centre up the dusty escarpment of Williams Road takes you to a place of quiet contemplation, offering clear unobstructed views as far and as wide as the eye can see.

Twin Peaks – a newly refurbished house and cottage – sits aloft the Mount Barker Summit, a place where the gatherings, rituals and songs of the Peramangk people have been heard for many centuries. Nothing disturbs the tranquility: it has been like this for thousands of years.

The Main House

Containing seven bedrooms and three bathrooms, along with a spacious kitchen and dining area and two separate lounge rooms, the main house offers an unparalleled retreat for bridal parties, corporate events, family getaways.

On the lower level is a retreat space for yoga and meditation and a self-contained suite that includes a bedroom, bathroom and kitchenette. Floor-to-ceiling windows throughout offer a breathtaking panorama of the Adelaide Hills and Mount Barker Summit.

The Cottage and Rehearsal Studio

The intimate, four bedroom, two-bathroom cottage is an ideal alternative, offering access to magnificent walking trails which surround the property.

The cottage was extended in 2020 to include a state-of-the-art rehearsal studio designed by Anton Johnson – the architect responsible for UKARIA. The design matches the aesthetic used in the auditorium of UKARIA Cultural Centre, and utilises many of the same materials: the hoop-pine ceiling rises and falls in a series of steps to scatter and diffuse the sound, and the walls are lined with battens of Jelutong, each at varying depths to simulate the sound of a much larger acoustic.
